## ABOUT

**The New Jersey Department of Human Services has relaunched the Garden State Community Outreach Program** to help residents learn about available healthcare and support services, especially as important changes to the federal Medicaid landscape take effect.

Outreach teams will visit neighborhoods and attend community events to share information, answer questions, and help families stay connected to the care they need.

Teams will be in the community daily from 1 pm to 7 pm.

## AVAILABLE PROGRAMS & RESOURCES:

Residents can receive support and information on:
